Challenge all Competition.

It is the Only Machine EVER INVENTED: NONE can compare with it in construction as to durability. Consumes nothing for repairs. In beauty of design and finish it stands unrivalled. In point of elegance and practicability of work done it cannot be approached. There being no tension on the lower be approached. There being no tension on the lower thread—the opposite being the case with every other Machine—the work will not be drawn. In fact, it is altogether superflous to multiply words at this late day as to the merits of the Wheeler & Wilson Machine. Its popularity is world-wide and co-extensive with its use. None know or understand it but to proise in unmeasured terms. Tens of thousands are using them through

the entire range of purpose and material for Family Sewing with complete satisfaction.
